MOTION FOR EXTENSION OF SCHEDULE WITH CONSENT

By order dated June 29, 2009, The Board set a schedule for the within proceedings. Thereafter, Respondent filed a Motion for Extension of time until September 7, 2009 for filing its Answer and the Board has not yet ruled on said Motion. Thus, the current September 7, 2009 deadline for the parties' discovery conference will fall on or around the Respondent's extended Answer deadline. Accordingly, the parties request that the TTAB schedule for proceedings in the subject action be extended and reset by at least three weeks to allow time between the filing of Respondent's Answer and the deadline for the parties' discovery conference and subsequent deadlines calculated therefrom.

O2Micro International Limited has secured the express consent of O2 Holdings Limited for the extension requested herein.

The parties have previously provided e-mail addresses so that any order on this motion may be issued electronically by the Board.
